Re: **Date of Accident: 04/02/2022**

Dear Mr. Odumosu :

Pursuant to the terms and conditions of Markel Insurance **YOU MUST ATTEND** an independent medical examination as follows:

DATE & TIME: November 16, 2022 @ 11:45 AM
DOCTOR & LOCATION: Orthopedic Surgery
Precision Rehab Occupational Physical Therapy
Staurt I. Springer, M.D
245-24 Horace Harding Expressway
Little Neck, NY 11362

Markel Insurance is entitled to send you to doctors of their choosing in order to determine whether, in their opinion, you are in need of further treatment in selected specialty. You need not bring anything with you. You should relate your current complaints to the doctor. The only thing he needs to know about the accident is what parts of the respective vehicles were in contact and what happened to your body as a result of the contact. You can indicate who you are currently treating with and with what frequency.

You are entitled to reimbursement for the transportation to and from the doctor's office **provided you obtain a receipt and provide me with the original receipt.**

Please call the calendar clerk in my office the day before each examination to confirm your appearance.

Your failure to attend this examination could result in the denial of your no-fault benefits and you becoming responsible for medical bills incurred to date. Therefore, it is important that you attend this examination.

Respectfully,

Lorena Quiles
